Core Business

SCP Standard Capital Partners AG is an investment holding company headquartered in Munich. Building on its longstanding expertise in the structuring, financing, and economic evaluation of innovative business models, the Group has been evolving since 2026 into a diversified investment platform with a broad strategic focus.

As an investment holding company, SCP Standard Capital Partners AG invests in carefully selected companies and business models, actively supporting and guiding their development. Its objective is to create sustainable long-term value through the strategic advancement of portfolio companies, disciplined capital allocation, and a long-term approach to corporate stewardship.

Leveraging its European base, extensive industry relationships, and clear focus on strategic investments, SCP Standard Capital Partners AG is committed to further expanding and diversifying its portfolio over time, while pursuing attractive growth and value-creation opportunities across selected sectors and markets.

SCP Standard Capital Partners AG is listed on the Frankfurt Stock Exchange under the XETRA symbol [CAP](#), the ISIN [DE000A12UPJ7](#) and WKN [A12UPJ](#).
